

Welcome to 2008 NJB Championship Series Tournament, that promises to bring fun, fair competition to every game!

Southern California NJB Championship Series, the Largest Youth Tournament in the United States, is just weeks away. The tournament, which is played over three consecutive Sundays, February 24, March 2 and March 9, will include over 100 Chapters and about 450 teams, representing Southern California. Approximately 75 High School gymnasiums will be used for the competition.

“It’s a time when competition is at its best” said Rebekah McKinstry, NJB Divisional Director. “It also gives teams the opportunity to interact with kids from all over Southern California”

The Championship Series is open to Girls and Boys teams from divisions 1, 2 and 3, grades 3 thru 8th. Teams are guaranteed three games and will play against teams from other chapters with similar win/loss records.

If you register prior to February 6, and take advantage of the Early Bird special, your team fee is only \$128. If you register after February 6, your team will pay \$138.

Each player will receive a Player Participation Certificate and Individual Player Awards will go to teams who place 1st and 2nd in each bracket.

To register and get more information, click on the Championship Series Icon and that will take you to the Championship Series link.
